

Printmakers,

Iowa State University's Print Club is hosting the 10th Annual Postcard Print Exchange. Last year 318 artists participated with entries from 33 states in the United States and the rest from Australia, Finland, Northern Ireland and Canada.

One additional note: In celebration of the 10th anniversary the students are applying for grant money to produce a catalog that will include all entries. The cost, size and format will be determined by the number of entries received and the success of their grant application. I will send out additional information regarding how you can receive the catalog in a few weeks.

Please read the following prospectus and pass the information on. Thank you.

April
